

Alfred Malinga

Data Professional

alfredmalinga696@gmail.com | 081 858 1429 | 38 Van Beek St, Doornfontein, Johannesburg, 2094

PROFESSIONAL SUMMARY

Results-driven data professional with experience developing SQL and ETL pipelines, automated workflows, and backend services. Proven track record in optimizing data processing efficiency, cleaning raw log data, and structuring databases for auditing and reporting. Strong collaborator skilled in Python, SQL, and database management seeking to leverage data engineering competencies to deliver impactful solutions.

WORK EXPERIENCE

Junior Data Analyst

Feb 2026-Present

Netbank EQSRA Division - Johannesburg, South Africa

- Developed and maintained SQL and ETL pipelines to ingest vehicle telematics and asset tracking data, directly reducing daily data processing delays.
- Automated financial and fleet operational reporting workflows to provide real-time visibility into vehicle maintenance costs and fuel consumption.
- Collaborated with data analysts and risk teams to clean raw telematics logs, build structured database tables, and maintain data integrity for compliance auditing.

Internship Software Developer

Jan 2024-Dec 2024

UNITAP - Johannesburg, South Africa

- Assisted in developing and testing backend modules using Python and RESTful APIs, improving data retrieval times and application performance.
- Designed and executed SQL database queries to perform daily data validation and support feature integration for internal applications.
- Collaborated with senior developers to maintain clean code standards, conduct bug fixing, and manage version control via Git.

TECHNICAL SKILLS

Tools:	SQL Server, Alteryx, Power BI, Tableau, Excel, Git, Docker, Apache Airflow, Lightspeed X, Shopify
Programming Languages:	SQL, Python (Pandas, Matplotlib, Seaborn), R, Java, C#, VB.NET, HTML, CSS, JavaScript
Web Services:	AWS, Azure
Soft Skills:	Problem-solving, Analytical Thinking, Collaboration, Communication

EDUCATION

NQ Level 5 Certificate System Development

Graduated 2025

Mindworx Academy

Bachelors - Computer Science

Graduated 2023

University of Venda

Matric (Grade 12)

Sasamala Secondary School

CERTIFICATIONS & EXTRACURRICULAR

- Microsoft Certified: Power BI Data Analysis Associate
- Microsoft Certified: Azure AI Engineer Associate
- Microsoft Certified: Azure Data Fundamentals
- Deloitte Australia Data Analytics Job Simulation on Forage
